live, love

eat olives

Hello & Welcome

Since The Real Olive Company's humble beginnings in Bristol's historic St Nicholas market in 1998, a lot has changed, but our values have remained the same; to source and supply the best quality olives and Mediterranean foods to the people of Great Britain.

From our accredited production site in the heart of Bristol we freshly prepare a unique range of olives and Mediterranean foods.

Our commitment to quality and sustainability has led us to being certified by Organic Farmers and Growers as an organic producer and we now offer a unique range of organic products in addition to our conventional range. Our products have been tailored to meet the needs of the retail food industry, so whether you are an independent or national retailer or need snack sized packs of olives for your customers The Real Olive Company can fulfill

your needs with the best quality products available.

Have a good look through our catalogue and you will find everything we offer in our retail pre-packed range from our deli fresh retail packs (which sell like hot cakes from the shelves of delis and farm shops across the land), to our snack packs which are ideal for those looking for olives for snacking or olives on the go.

Our olives, we should hasten to add, remain the same delicious fruits the ancients knew, growing in the old unhurried way in the same Mediterranean groves. We prepare them using time honoured methods, then package them with the greatest care to ensure that they reach you, our customers, in perfect condition;

Live, love, eat olives.

Our distributors

As you know by now, here at The Real Olive Company we produce and source a wide range of fantastic olives and Mediterranean foods and accessories. We are totally committed to quality and always aim to provide the best value and service to all our customers.

We are always very keen to deal directly with our customers but are also aware that this may not always be possible for all businesses out there.

With this in mind we have teamed up with a selection of Food Service Distributors covering most areas across the UK. In some cases these companies stock pretty much our full range of products, others just a selection of our best sellers.

If you would find it easier to deal directly with any of our distribution partners, then please contact us and we will put you in touch with your nearest Food Service Distributor. We can guarantee that you will get the same great quality Real Olive products from them as you can from us.

Thanks and feedback

Hopefully you have had a good read through our catalogue and now know all there is to know about The Real Olive Company. Thanks for your interest in us and if you are not already a customer then hopefully you soon will be.
